Competition End of Year

Judged by Don Munro

Presidents Report

It's almost done. Another year of photographic adventures is winding up.

We are down to the end of year celebrations in time to break over Christmas and into the new

year.

Sunday 27th October HCC is hosting the FCC Interclub Competition, 10:30 till 3:30 at the Richmond Club. This is a great opportunity for members to see images by members of other clubs. You may be inspired, you may see other techniques and meet other photographers on the day. If you are free call in and see what the competition is all about.

We have one final competition to get through and it's possibly the biggest of the year. It's to pick the Image of the Year, held on Wednesday 20th November. Every member is eligible to enter the November competition. Any images you have entered this year 2024 are eligible to be entered. It is up to you if you think the image deserved to be judged and possibly win the prestige award.

Any image you have entered this year, whether it is a point scoring competition, the Geoff Pfister Award, the Bridge Challenge or any other competition you can enter into Image of the Year. Check the Brief on the website for the specific details.

To wind up the year we have some business to complete.

The Club's Annual General Meeting will also be held on Wednesday 20th November. I encourage all members to consider being a part of the Committee for next year. It is your opportunity to help build a stronger and supportive club. There are ten positions on the committee, all of which are declared open and any club member can nominate for an Executive Position or a General Committee Position.

The final event for the year is the end of year Celebration Dinner on 6th December. It is held in the Richmond Club. Tickets will be \$55 and bookings via the website once we confirm the menu and arrangements.

Thank you to everyone for a fabulous photographic year. I have been thankful for the support from the Club Executive & Committee as well as the Club membership. I look forward to winding up the year with a big End of Year Competition and Celebration dinner.

Jeff Walsh

Buy Sell and Swap night.

Rotary Raffle

Marian and Barry started of the selling of the Rotary raffle tickets for our only Fundraiser of the year.

This is a great opportunity for members to help raise funds for HCC to assist in running costs, having independent judges for our monthly competitions and guest presenters on upcoming competitions.
